SPOT MARBELLA

A modern kitchen featuring a combination of orange and grey cabinetry. The lower cabinets are a vibrant orange with long, horizontal silver handles. The upper cabinets are a neutral grey with vertical silver handles. A dark grey countertop runs along the wall, housing a sink with a chrome faucet, a wooden cutting board, and a black induction cooktop. A stainless steel range hood is mounted above the cooktop. To the left, a large glass door with a white frame leads to an outdoor area. Sunlight filters through the glass, creating a pattern of light and shadow on the light-colored tiled floor. The text 'SPOT MARBELLA' is overlaid in the center of the image in a bold, blue, outlined font.

SPOT MARBELLA

The image shows a bright, empty room with a light-colored wall and a wooden floor. On the left, there is a large window with a white frame and a brown pleated valance. The window looks out onto a garden with green plants and a white building. To the right of the window, there is a built-in white shelving unit with several open shelves and a louvered cabinet door at the bottom. Sunlight streams in from the window, creating a bright patch on the floor and casting shadows. The text "SPOT MARBELLA" is overlaid in the center of the image in a blue, bold, sans-serif font with a white outline.
